Swiss Tropical and Public Health Institute  
Schweizerisches Tropen- und Public Health-Institut  
Institut Tropical et de Santé Publique Suisse

# **Jumping barriers: a case study**

# One Health requirements

## **Necessary (but not sufficient) requirements:**

Recognition of inextricable linkage of human, livestock, companion animal and wildlife health.

## **Sufficient requirements:**

Added value of health and wellbeing of humans and animals and/or financial savings from closer cooperation of human and animal health.
